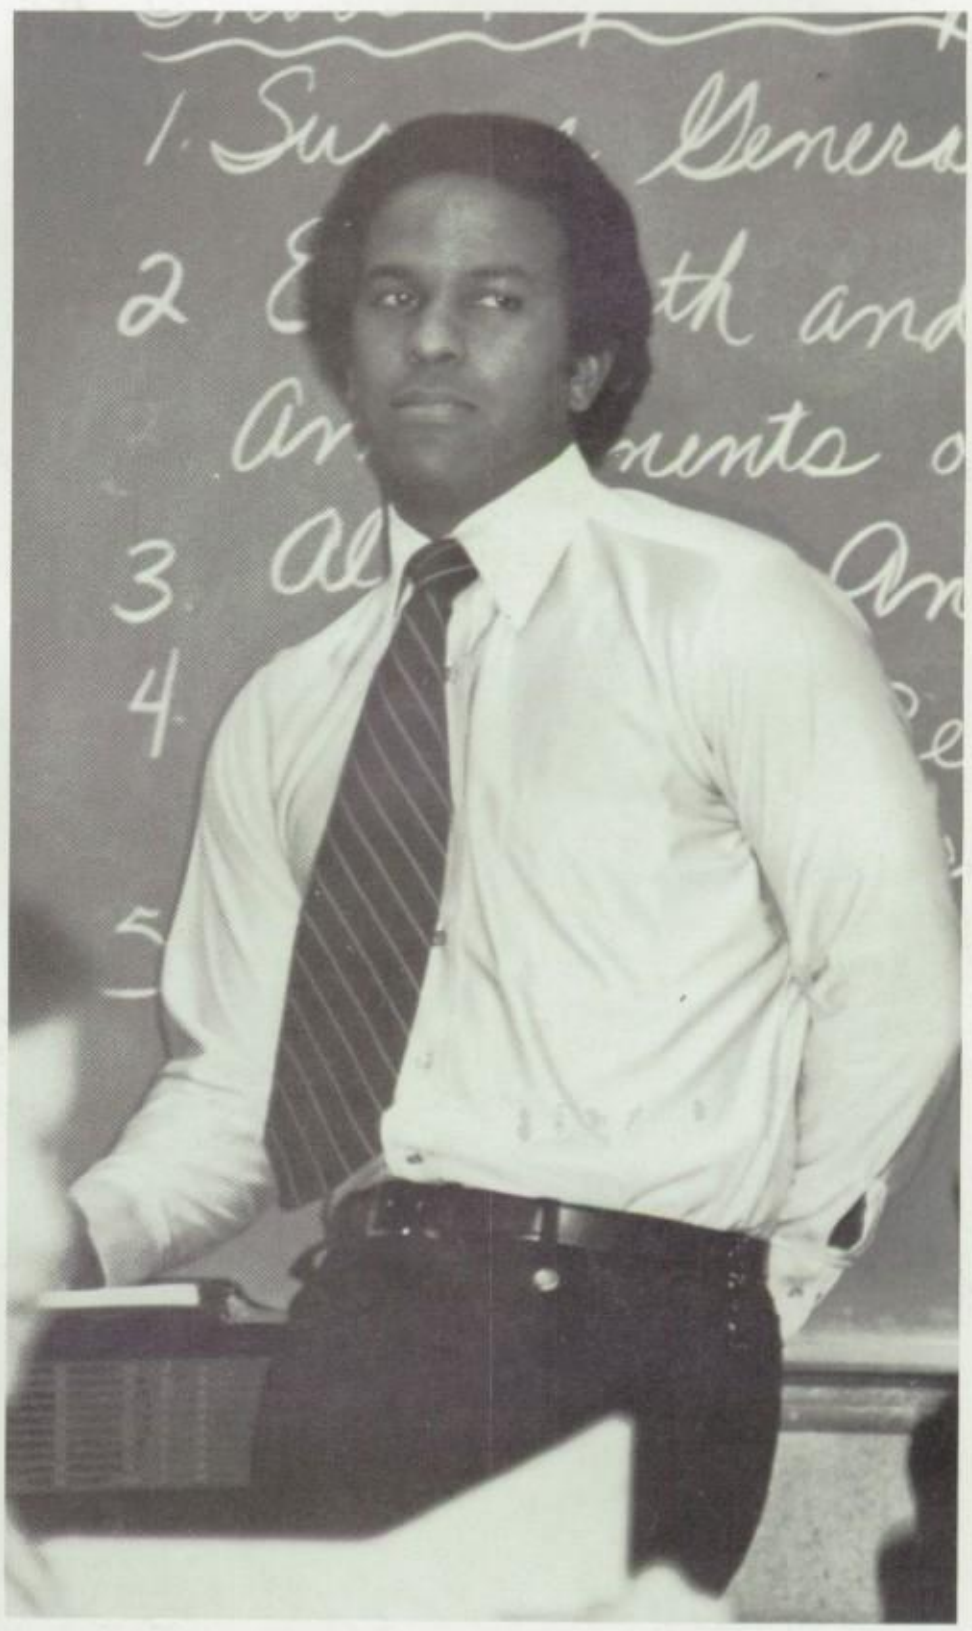
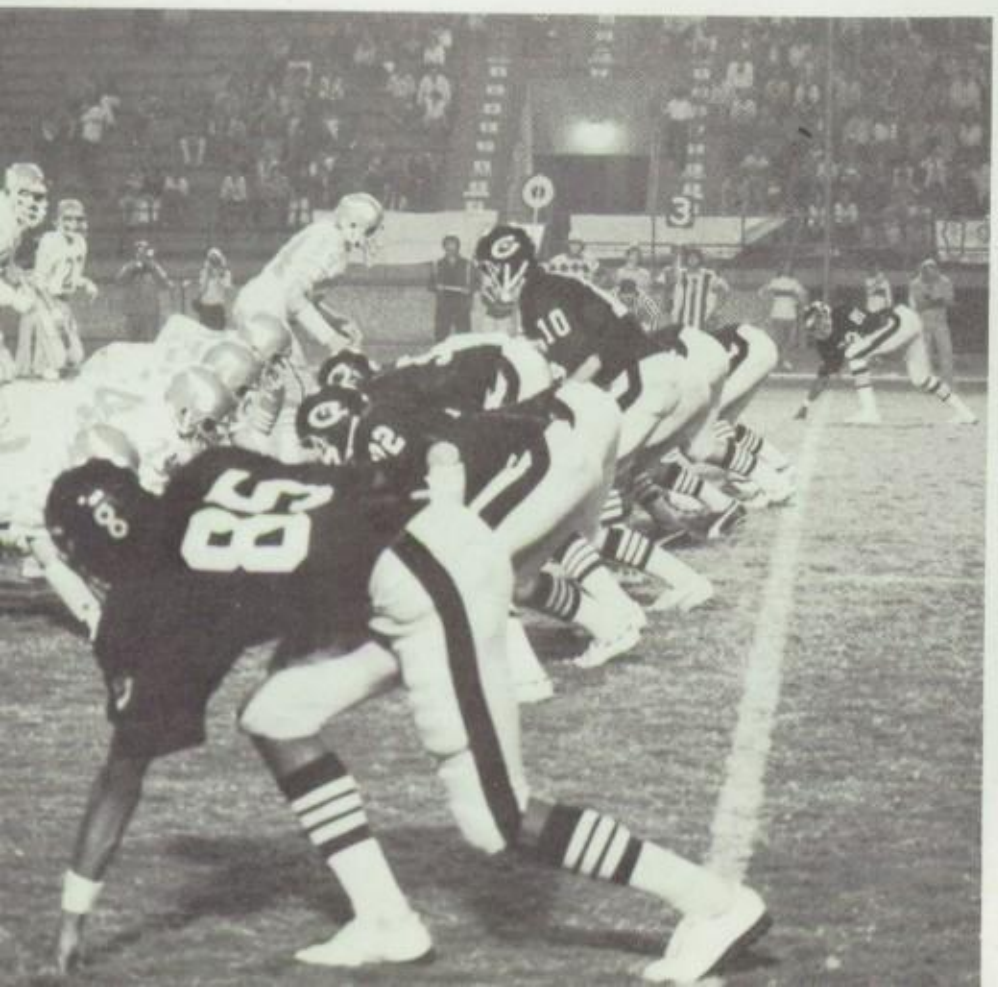
CERRITOS:

TOGETHER

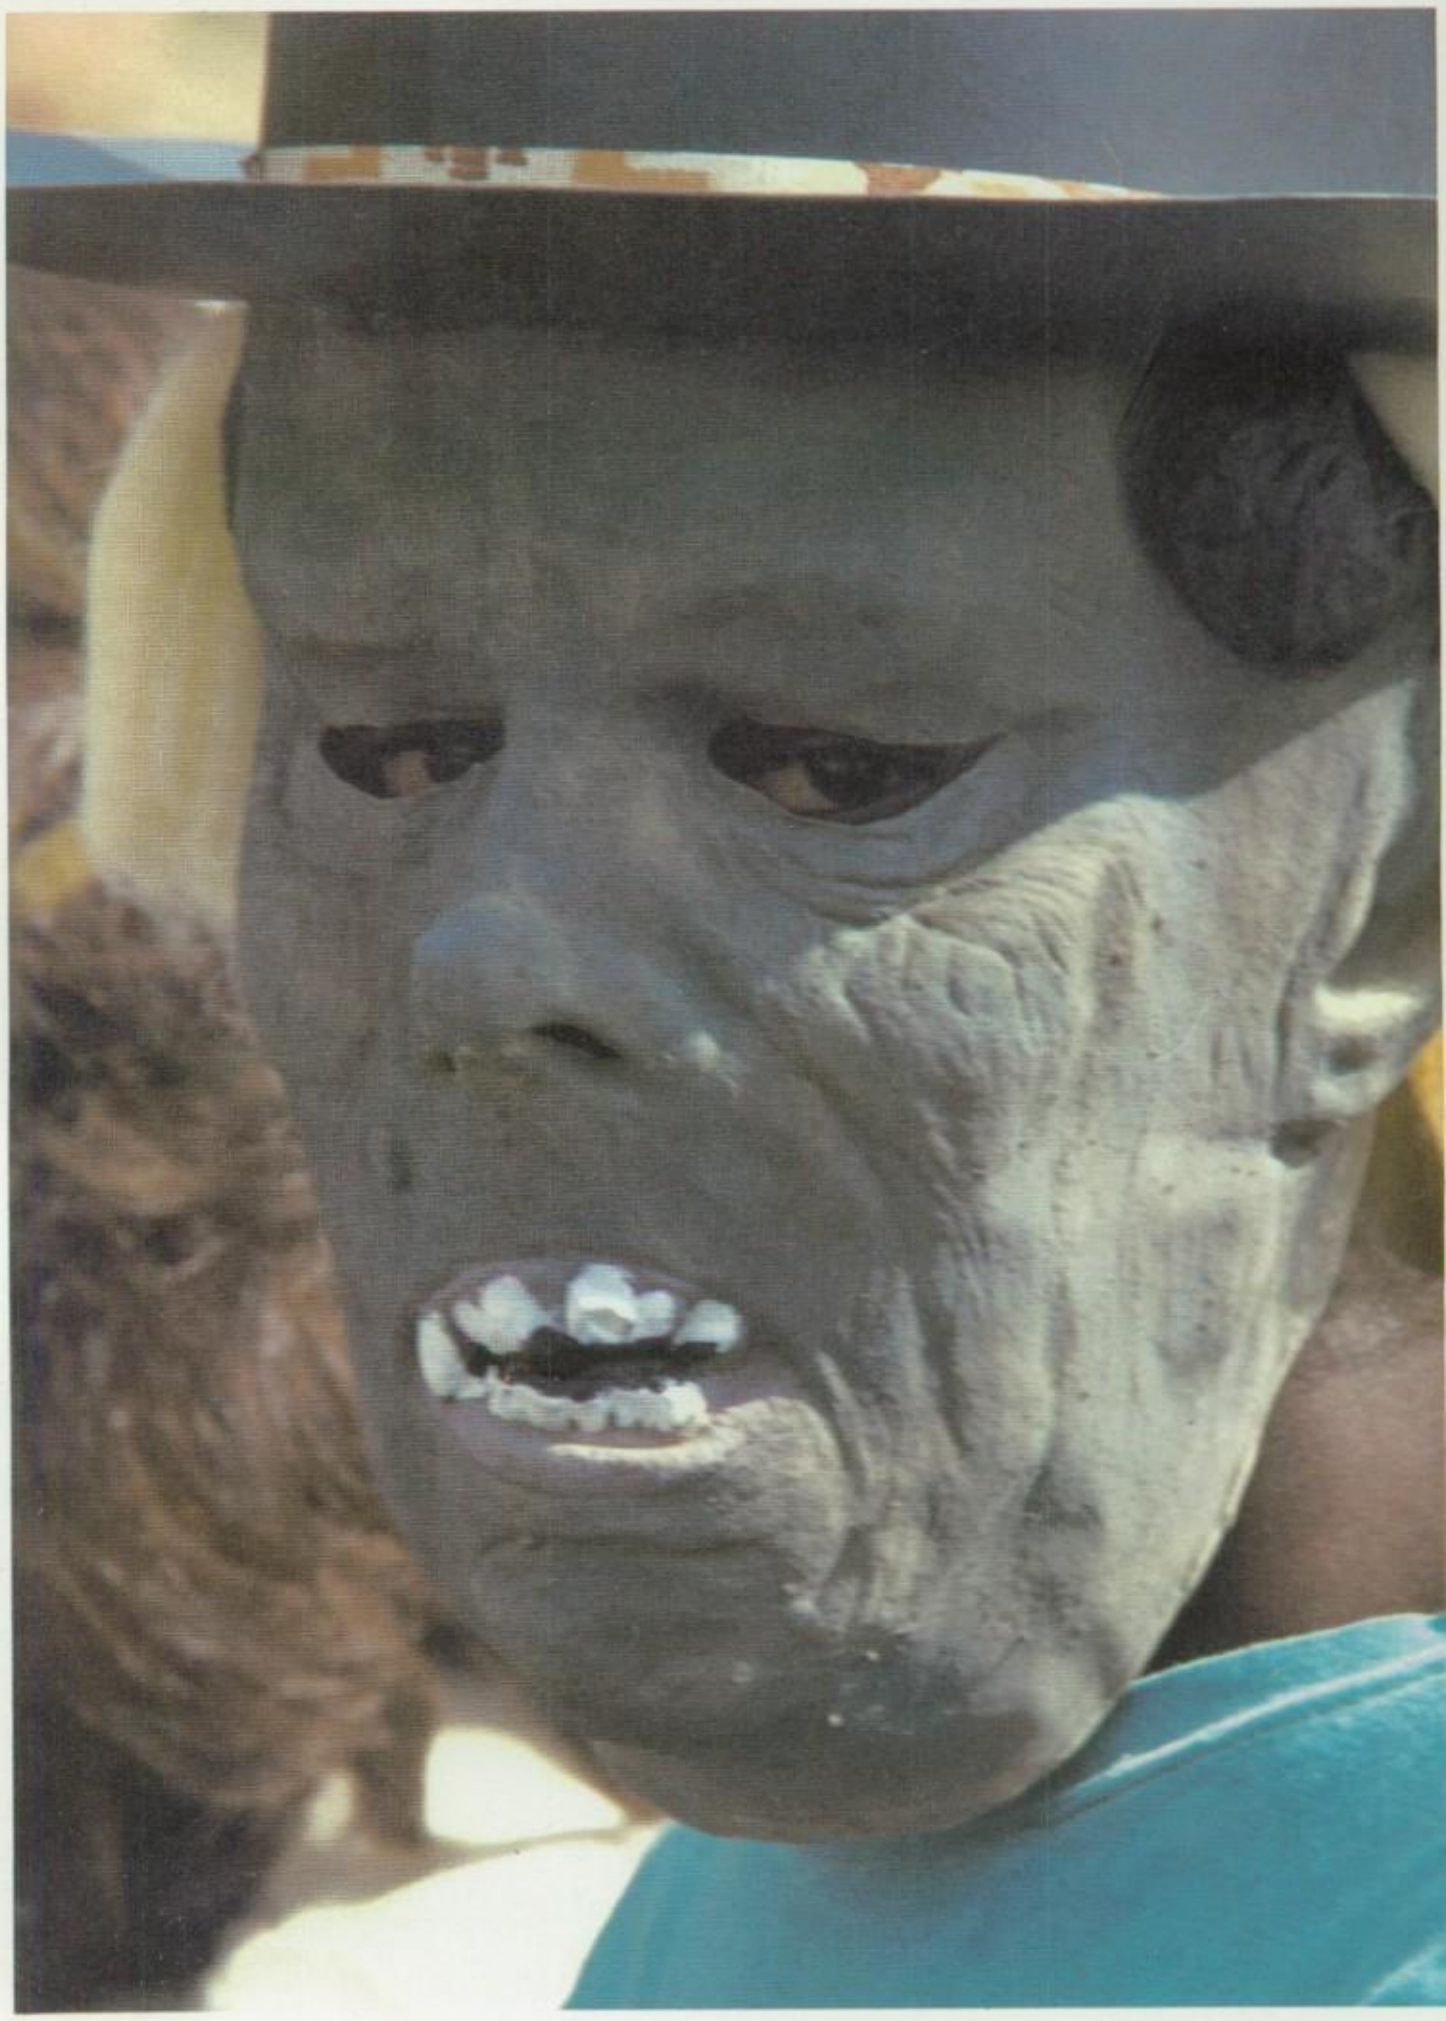


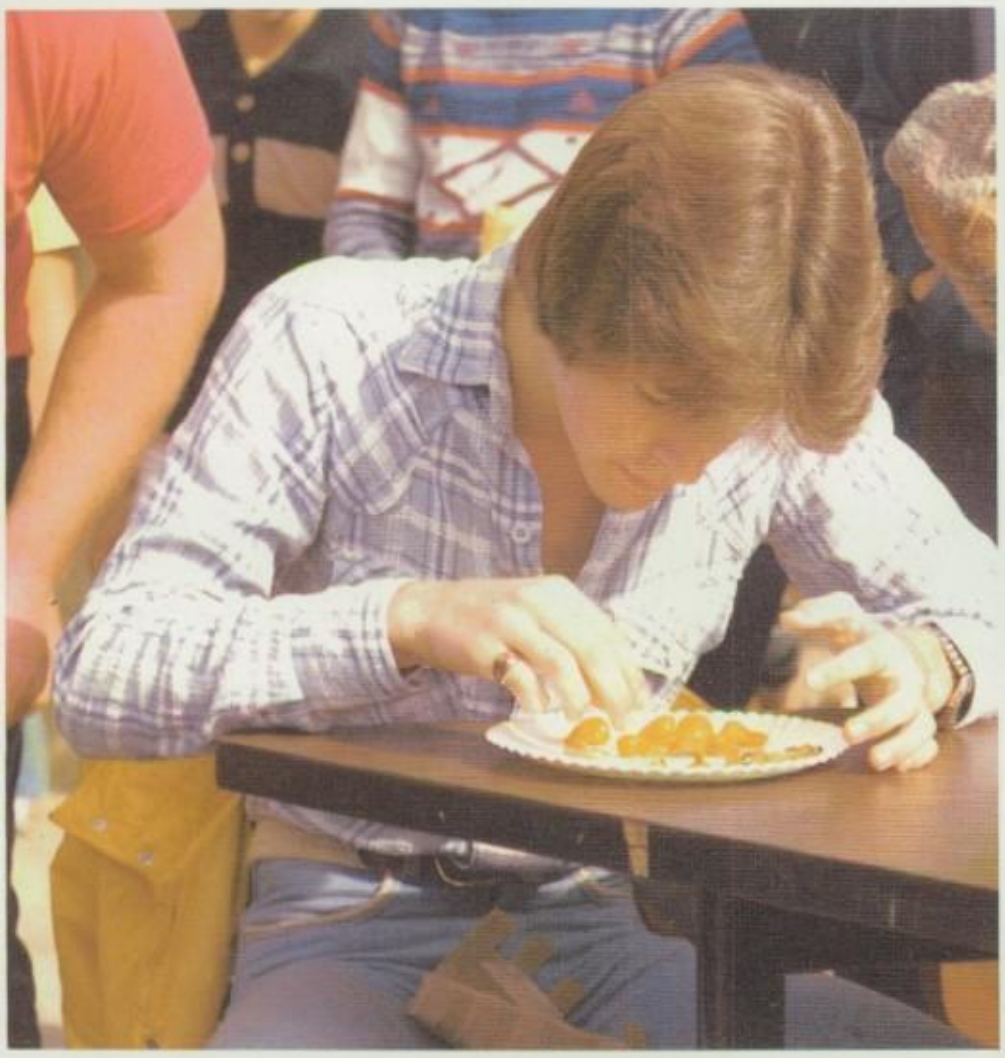


1978-79, a year different from all others here at Cerritos High School. New teachers, classes, and an entirely different bell schedule took a time of getting adjusted. Our Spirit was devastating, our attitudes and goals had changed since the last time we walked our campus. For the freshmen, it was taking a big step. For the Seniors, it was the end of their high school career. As you look at the pictures, the people in them will remind you of the happy sometimes sad, but altogether worth it days of a hard earned education.

CERRITOS:

ACTIVITIES





Spirit Week, 50's Week, Earthquake-A-Thon, are just a few of the activities that we have each year. This year the spirit was great and Spirit Week was a success. Everyone participated and as class competition points kept going up so did the spirit. This was true of all our activities all year long.

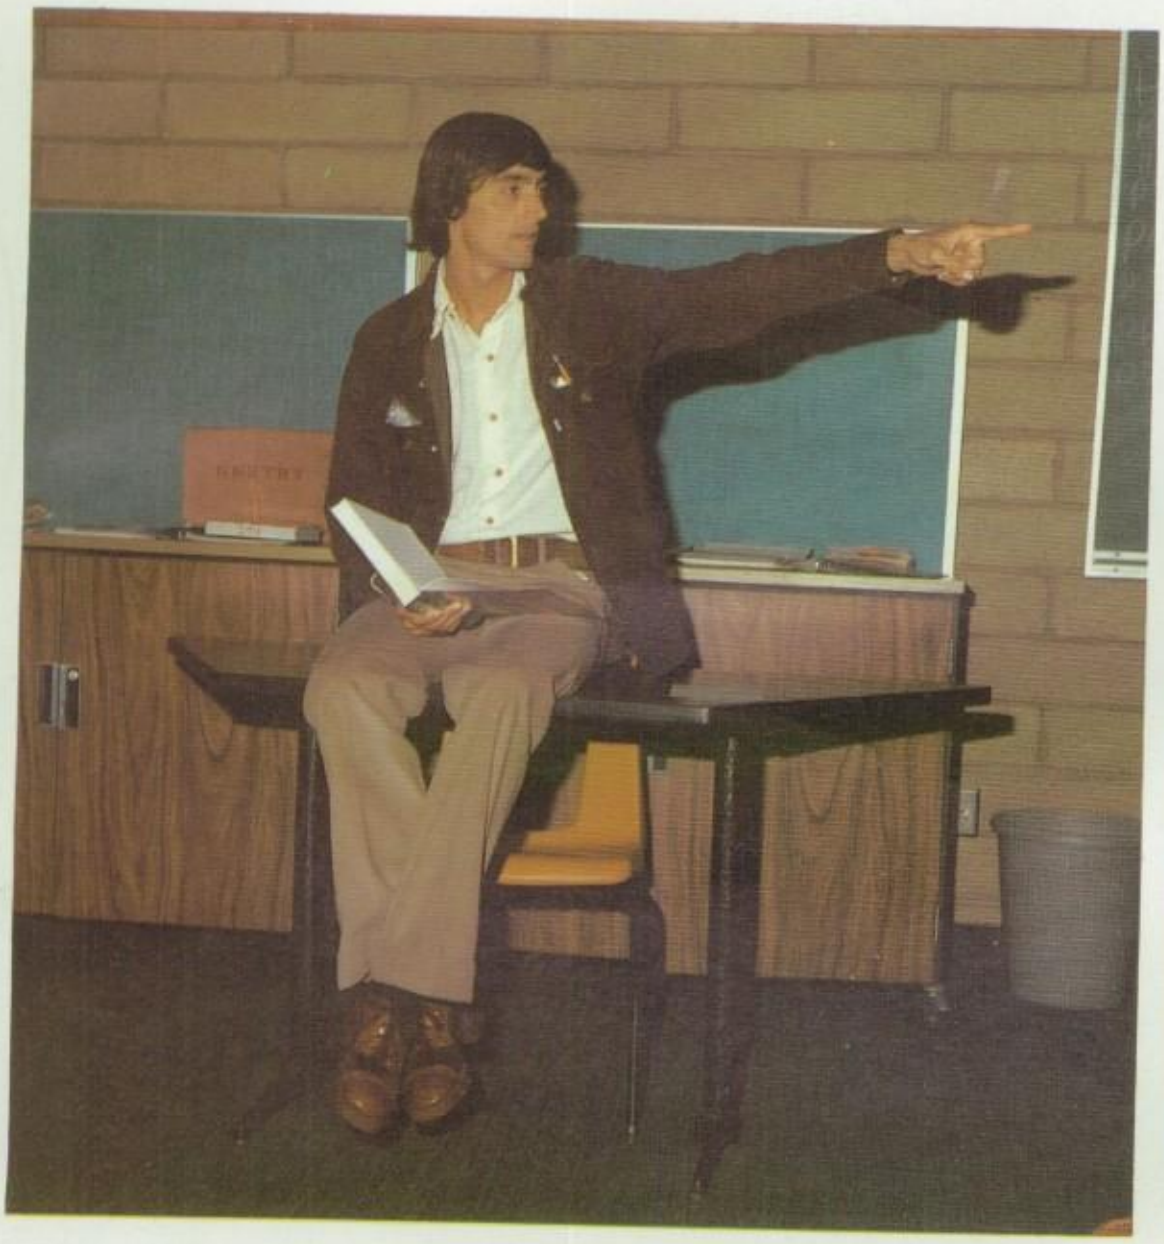
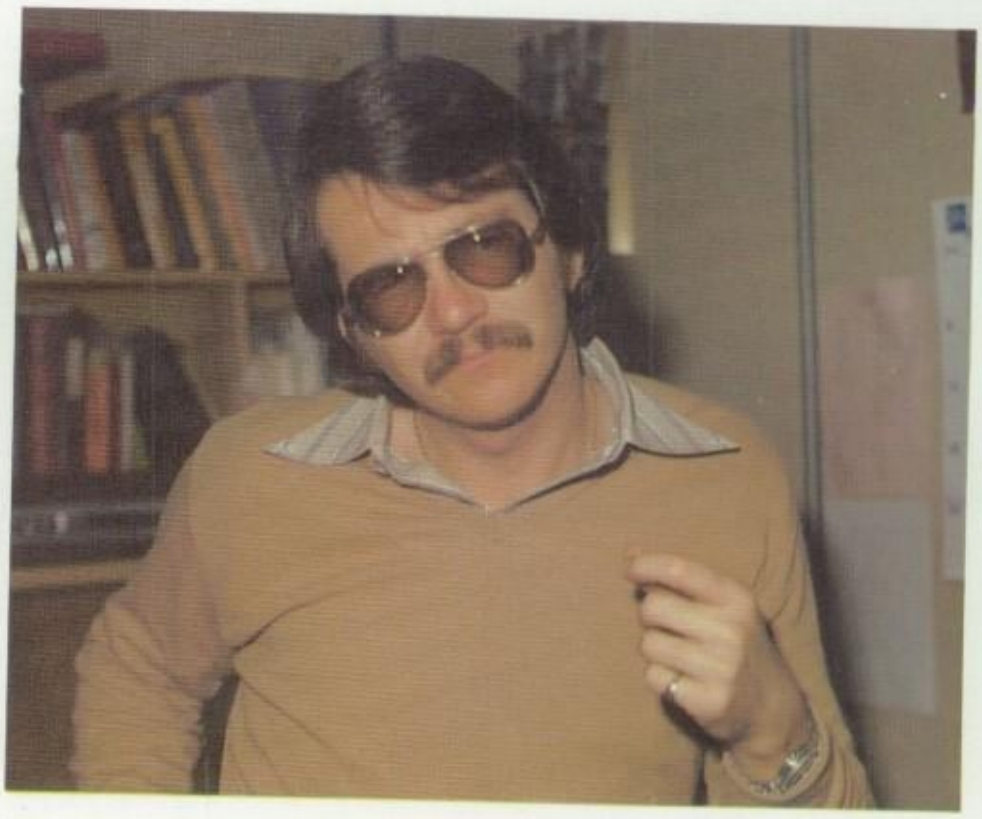
Together we are one, divided we stand alone. This year we have proved our strength in numbers. Over-populated classes and crowded snack lines. Assemblies, pep rallies, bands at lunch, brought all of us together, student and faculty. Graduation was our last gatherings. The happy but sad events led to diplomas and tears and then finally a grad night that most won't forget.

CERRITOS:

FACULTY



Our Faculty, they include the best teachers in the A.B.C. Unified School District. Helping, understanding, and inspiration are terms that describe what our faculty is to us. As this year ends, we that won't have these teachers anymore will always remember those who understood our trying times at Cerritos High.



In 1971, Cerritos High School became a reality. It began as an idea and became an outstanding high school under the guidance of Mr. Charles Ledbetter. It was his ability and leadership that made Cerritos one of the outstanding high schools in California.

In December of 1978, Mr. Ledbetter was named Director-Employee relations of the ABC Unified School District and left Cerritos High. His seven and one-half years as principal will not be forgotten and it is because of what he has meant to Cerritos High School that we dedicate the 1978-79 Cerritos High Sin Igual to him.

Cerritos Wins 1st Homecoming Game

But Stays Home for Playoffs

Dreams came and dreams left. For the Cerritos Varsity Football team, most dreams left. Except one, the good ol' Homecoming game. For years teams said they would win but never did. This was not to be this year, for victory came to CHS for the first time. This year coach Tom Wright thought he could have a SGVL championship and go to C.I.F. playoffs. But because of mishaps, the dreams were torn away. Hard summer practices led to the season opener, Cal High. Playing for the first time kept the score close in the tough defensive game. Aaron Slaight scored a 3 yd. touchdown and Todd Harbert, Baldemar Silva, Jim Rowley and the rest of the defense stop Cal 7-6. Week 2, Cerritos went to play rival Artesia. Cerritos was rated 7th in the Southern conference. The game was almost won by Slaight, who ran for 1 TD and passed for the other. Silva kicked a field goal for the final score, 17-7. Cerritos was now rated 6th for their league opener, Downey. The combo of Verhaaf and Wayne Wurzer destroyed Downey 26-17. Verhaaf had 3 TD's and Wurzer

The win kept their dreams alive for the big week against No. 1 rated Warren. Warren seemed too much for Cerritos, leading at half 26-0. 2nd half Sarpy hit Sunio on a 57 yd. TD. Verhaaf romped for a 14 yd. TD also. Cerritos did beat Warren statistically though. Sarpy set a school record of 224 yds. passing and Bonner caught 9 passes for 156 yds. Dan Majam had his best game of the season. But mistakes got the Dons, as they fell 33-14. Hopes of a championship were gone now and there was only a slim chance for playoffs. The El Rancho game was their last hope. Cerritos played tough but even with help from all leaguers, Bonner, Harbert, Finney, Price, Willard, and the only first teamer, Rowley.

took an interception back 48 yds. for a TD. They now faced tough Dominguez. Slaight teamed up with Mike Bonner for the first score. But when it all came down to one play, Ron Byrum, Garrell Kirtley and kicker Silva combined for a 21 yd. FG and the winning points. Now 4-0 Cerritos would hit a skid of losses to La Mirada, 9-3 and to Lynwood, 14-6. La Mirada was defensively too tough for the Dons. Mike Finney and Jim Willard showed to be team leaders though. Against Lynwood, Byrum led the defense for a fair night.

Cerritos was now in a must win situation. Homecoming came and the Dons knew what to do to keep their dreams alive. Thinking of losses of years ago, Cerritos was ready for a win. The thinking worked, for Cerritos came out and beat rival Gahr for its 1st win in 6 years. The score was 15-0. It all came from a big rushing attack. Jojo Sunio (11 for 120 yds.) and his counterpart Verhaaf, (11 for 85 yds.) ran for 205 yds. Cerritos quickly went ahead 6-0 on Sunio's TD of 39 yds. With some blocking from Finney, Lance Clawson and Paul Price. Second half Sunio went 22 yds. for his 2nd TD, over Tim Fosso and Mike Sexton. Later a blocked punt by Derrick Foster, which looked like TD for Rod Halbrook, was only a safety. QB Glen Sarpy led the offense up and down the field on "Big Blue." Sunio and Halbrook got honors for the week.

Cerritos Dons finished off a very successful season with a record of 16-9, the Dons exploded towards an unexpected 2nd place finish. The Dons finished second to the very highly rated Downey team who were ranked #7 in C.I.F. 3A division. There were no stand outs this year. This year's team winning was entirely a team effort.

Dons had 4 players who continually scored in double figures. With that help it pushed the Dons towards 2nd place and into the playoffs. Led by seniors Andre Greer and Chris Jackson who both made All League selection in the San Gabriel Valley this year, the Dons went against a very good team in Sunny Hills. It was close through the whole game but the experience and poise of Sunny Hills enabled them to nip past the Dons 72-69. The Dons, a very young team, was hurt by the lack of experience, but with three starters returning next year, George Yezback, Mike Briggs and David Tibbs, the Dons could be a team to look out for in the future. And maybe just beyond the horizon a league crown awaits.

CERRITOS VARSITY WRESTLING

ON TOP AGAIN!

Our 1978-79 Wrestling team was made up of young personnel. The Don mat men took their matches seriously and stuck with it to the end. Their determination and skill payed off! The outstanding individual achievements were Scott Schneider who placed first in league, third in C.I.F. Robert Ruffini placed second in league. Mike Humphrey placed second in league. John Williams who placed third in league and Kevin Koeler who placed third in league.

Scott Schneider was a very outstanding wrestler this year at Cerritos High. His many achievements started when he was only a freshman. In his first year at C.H.S. he was on the Frosh-Soph and J.V. team and had a record of 7-0 in league. In Scott's sophomore year he took fourth in the Cerritos College Tournament, fourth in the Beverly Hills Tournament, second in the Cerritos High Tournament, second in the Long Beach Jordan Tournament, and he received awards for "The Rough Rider" and Quickest Pins! Scott's Junior year was his best. He took first at the Neff Tournament, first at the Cerritos College Tournament, first at the Beverly Hills Tournament, first in league, second in Pre-lims, fifth in C.I.F., eighth in State and received awards for "Most Pins," "Fastest Fall," "Rough Rider," and "Most Outstanding Wrestler." The two high points of the season were having four runners in the top ten, and taking second place in League finals. The top four runners were Ken Kayoda, Mark Laviola, Louie Rael, and Mike Bojarquez. At the Mt. S.A.C. invitational, where league finals were held, Cerritos ran there way to a second place finish.

A KICK IN THE GRASS!

SOCCER

Cerritos High School's Soccer team of 1978-79 had a very prosperous year. The season left Mike Wilson in the first team all league and Norman Esaghi in second team all league. Mike Wilson had scored a total of 15 goals during the season and Scott Layman scored 8. The young team had a hard season but they did very well after realizing their position. The team coached by Mr. Manzo kept their spirits up throughout each game.

Varsity Track: Thrills and Spills

March, April and May, what better months to run track for CHS. These months brought the seniors of the Varsity team to a not so good end. This year did pack some thrills though. First there was captain Jim Willard, who tried to lead the team but as the league started, his legs ended. Then it was Ken Kayoda, who was said to be one of the best runners around, but he faded off. Now the true leaders stood up. Louie Rael, Co-MVP, ran his last season to CIF prelims. Also Frank Murray, Co-MVP, who hurdled his way to CIF, help the team build up a record of 5-2, good enough for 3rd place.

But that was'nt the thrill, Lamar Cunningham and Earl Coles help the team in its weak spots and also made themselves noticed. Mike Humphrey jump his way to a place in CIF. Then there was the story of Garrell Kirtley. His 1st year out and he didn't know what to do! So he tried pole vaulting and did it so well that he found himself in league finals with the best of the league. Only to end up on the wrong end of the pole. Coach Gary Smuts should be proud of these men and should show next year's team what is possible.

1.) Ken Kayoda, Gerald Finney, and Dale Bausch go 1, 2, 3, as spectators watch on. 2.) Mike Vincenti puts his shot for a 3rd place. 3.) Mario Bermudez looks intensed during 440 run. 4.) Co-MVP Louie Rael takes the tape against Warren. 5.&6.) Who looks better, Vic Castelo or Larry Higashi. 7.) Frank Murray tries his best against state finalist, Warren's Howard Hawkins.

TRACKSTERS BOXED IN FOR 3RD PLACE

1.) 1978-79 Varsity Track Team: First Row, L-R: J. Salazar, B. Kansaki, G. Star Kirtley, M. Bremudez, D. Torres, A. Limbo, D. Vijar, C. Spencer. Second Row: J. Sandoval, M. Humphrey, G. Finney, L. Cunningham, S. Brosamer, J. J. Sunio, S. Apodaca, Ken K., Kaz K., C. Cruz. Third Row: G. Gray, C. Scott, Captian J. Swann Willard, D. Juice Verhaaf, L. Rael, F. Murray, M. Laviola, D. Bausch, L. Higashi, Ole U., M. Vincenti, E. Coles, V. Castelo, J. Taylor.

Frosh-Soph Tracksters Tired?

1.) John Nahan cruises his way to mile victory. 2.) Greg Rhea starts his way to another 440 race. 3.) Cerritos's hurdles go 1, 2 in 120 yd. hurdles race. 4.) 1978-79 frosh-soph track team.

First year workouts and races brought on a bad year for the frosh-soph track team. Led by Dale Bausch, MVP, they ran themselves a pit to be buried in. Losses to Lynwood, Gahr, Downey and Dominguez they had no chance for first place. But such people as Gary Willard, Joe Salazar, Leslie Predium and Bausch made a desperate try. With the rest of the team they did beat La Mirada, Warren and El Rancho. Bob Milton tied a record in the Pole vault at 9′ 6″. With a team not experienced, but willing to try harder, they made a few surprises. For next season a long and hard plan is set ahead. First to take some vitamins and then get out there and give it all they have. This would assure them of a better place in 1980.

These two young men have played outstanding matches throughout the season and have high hopes in the league next year. Tony LaNuevo, a sophomore, won the most improved player award. Cerritos Varsity Baseball Team played in the highley competitive San Gabriel Valley League. Finishing with a record of 11-11-1, the Dons placed 5th in a division consisting of Gahr ann Lynwood High Schools. The Dons could have easily turned around their record, but a lot of bad breaks deprived them of that chance. The highlights of the season were Jeff Hearron and Greg Baker, both making All-League, and four players hitting over 300 for the first time in school history. At the annual team awards banquet, the M.V.P. was Matt Gardner, Over-All Excellence — Jeff Hearron, Most Inspirational — Joel Proost, Most Improved — Jeff Proost, Best Rookie — Greg Baker, and the captains were Matt Gardner and Jeff Hearron.

Cerritos Varsity Golf team had its ups and downs this year. Basically a young team, two Seniors, two Juniors, and two sophomores, the Dons finished with a record of 2-15. When the Dons did get it together, they were unbeatable. Against Savanna High School, the Dons won by two strokes. Low scores were turned in by Greg Tamanaha (43), Keith Gelfer, Brian Stover, and Kurt Eniquez with (44). The rest of the team had scored all below 50. Then came League, after coming very close to scoring wins during the season, they finally got a win against La Marida High School. Once again the San Gabriel Valley League once again proved to be one of the toughest leagues in Southern California. Members of the team were: Brian Stover, Robert Ruffini, Greg Tamanaha, Keith Gelfer, Kurt Enriquez, and Rob Goe.

NEW TEAM, NEW COACH, NEW RESULT

This year, because of some major cutbacks at the Varsity level, the football squad was cut down to a smaller size. So by dropping a Sophomore team they added a new and bigger J.V. team. First they returned a former CHS star, Bill Vincent, to coach the team. Also they made it possible for all sophomores to play at that level. The team was not what it was expected to be. Even without standout, Mike Billingsley, a transfer from San Diego and their MVP, the team could not cope with the tough SGVL. Their record (1-8) did not show the true play of the team. They withstood a lot of pressure from the Varsity team's workouts plus their own. With coaches like Vincent and Terry Tolliver the J.V.'s did show that next year Cerritos could have one of the best Varsity teams in its history.

Peaking from the days of street football, young men enter CHS to see what they are made of. That is of course the big step into High School football. Such men or boys wanted to prove that they could show folks what teams of the future would be like. This year's frosh team was nothing like other teams. Even though losing their first four games of the season, they roared back with some convincing wins and some overpowering victories to end up second place in league. They had a 4-1 record in league and a 4-5 record overall. Coached by Wayne Manzo, the team desperately improved themselves from what seemed to be a horrid start to a fantastic finish. Led by MVP's Greg Rhea (Off.) and Eric Azarcon (Def.), this team is one to watch for in the years to come.

The team was led by two outstanding players, Greg Rhea and Steve Sepulveda, both most valuable players for the team. Greg, with an average of 15.3 points per game, and Steve averaging 16 points per game, was also the leading rebounder. With these two great players, the Dons took a 4 point victory over Gahr, 38-34. One of the records the Freshman team accomplished was the 96-34 victory over El Rancho, a new school record for the most points scored in one game. Cerritos High Dons experienced a new type of thrill during the 1978-79 wrestling season. The young J.V. team finished the season with a 3-3 record in league. This team performed extremely well considering how young it was. The J.V. team consisted mostly of Freshmen and a few Sophomores. Many of these players will be moving up to the varsity level next season. The outcome of the spectators for this sport was not fantastic but with a little back-up the team will rise to the top. I guess you can say this team is getting older but also better!

J.V. SOCCER

Cerritos Highs 1978-79, Junior Varisty soccer team had a good start for a young team. The boys showed skill which will lead our next year's varsity team to a winning season. One of the most fabulous games of the season was the second game against LaMirada. The Junior Dons held the Matadors scoreless throughout the game in which we scored 3 goals leading to victory of the game. The spectators were few but their spirit never failed.

J.V. tennis of 1979-80 of the Cerritos boys' team has had an outstanding season. The team won the league with a record of eleven wins and one loss. The team's most valuable player was Rick Rodriguez with a 60/68 record. Kieth Tanaka was the second most valuable player with a 58/68 record. In the mid season the doubles became strong and turned the season around for the team. Getting the doubles in shape made for a strong second round in the league. The Freshman Dons caped off their season with a 9-4-1 record, good enough for 3rd in the S.G.V.L. Leading the team in batting were Henry Messenger and Bill Mosiello. Henry Messenger had a batting average of .372 with two homeruns. Outstanding players were David Serrano, Craig Oka and Rob Klier. At the Frosh award banquet Henry Messenger M.V.P.

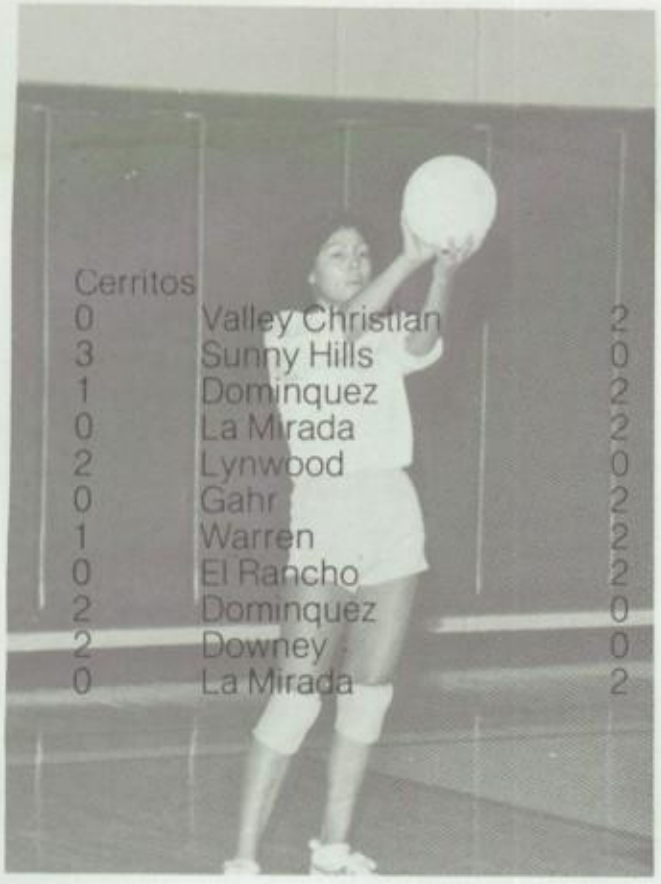
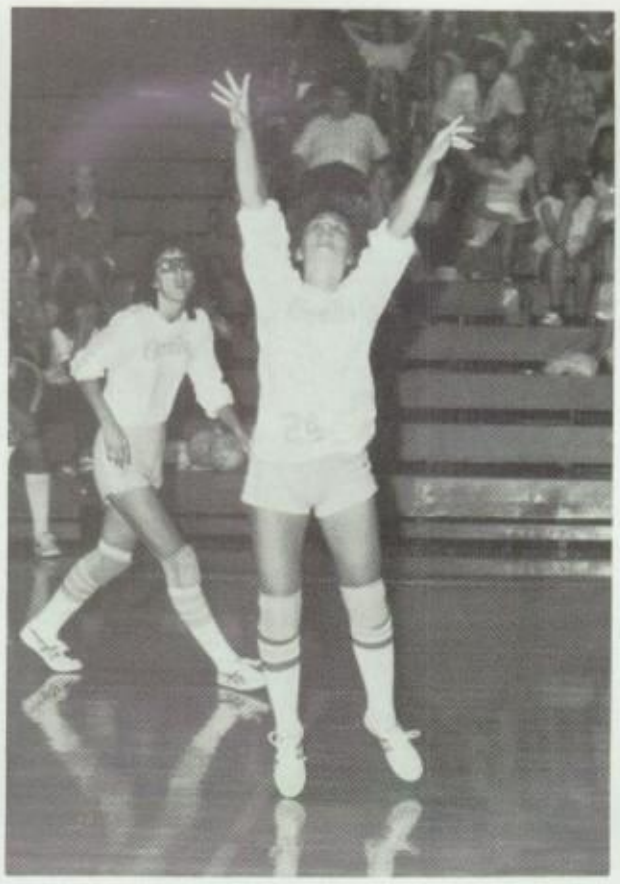
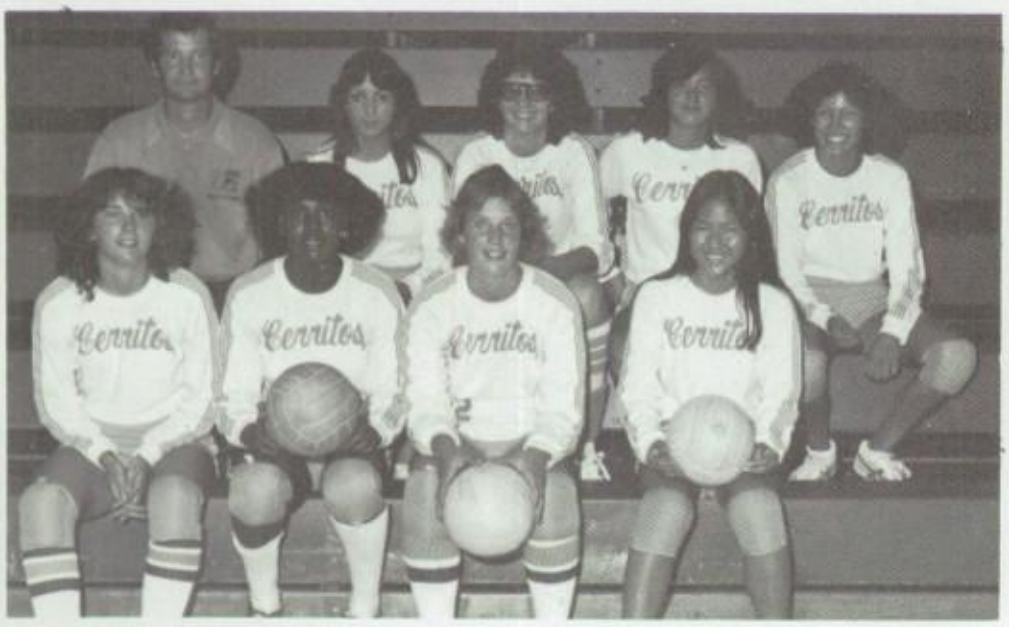
David Torres emerged as the star on the Junior Varsity level. He was followed by Brian Kanaski, Mario Bermudez, and Gerald Finney, who led the J.V. to a respectable third place finish in the league. Freshman-Sophomore, Dale Bausch provided the team with a good front runner, followed by the Lorenzo Tyner. Bausch did wind up capturing second place finish in the league. The girls, with Junior Robin Fries hurt for the most of the season, Freshman Beth Murphy and Junior Rita Patel picked up enough fire to lead the lady Dons to CIF for the first time ever. Kerri Robertson and Karel French helped tremendously throughout the long tough season. Everybody on the team ran well to help out a very fine season.







The girls' varsity volleyball team of 1978-79 made many outstanding plays and played many fabulous games but did not come out in the position they had hoped. The team's coach, Mr. Wallace, trained his girls well for every possible situation. Some of the other teams surprised the Dons, leaving them in a lower rank position. The Dons show ability to play in the toughest of games but the pressure had decreased their talents. The team was led by returning varsity players Nancy Vanderpool, Belinda Brewer, Kim Teske, and Lucy Saavadra. The team's outcome was a fine placement and we'll hope for the same or better next year.

1.) Lucy Saavadra is poised for a smashing serve. 2.) Belinda Brewer sets high for a spinning spike. 3.) A bump for Shandra Roberts. 4.) Marina Amya fights at the net for a score. 5.) OLLEYBALL 78-79

The Junior Varsity's season started off a little slow but the new team held together. The exceedingly tough season gave the girls a chance to realize that togetherness makes an outstanding team. The team brought their scores up as the long season wore on, leading them to a fair outcome in the season. The team's endurance ran thin near the end of the season, but the total outcome was excellent for such a young team as the Dons were. The team's outcome owes a lot to Barbra Colmer, Sherrie Guerrero, Rhonda Wilson, and Michelle Deguise for their great ability and sportsmanship.

This year's Girls' Varsity Tennis Team continued with their winning ways, with a record of 20 consecutive league wins, the girls breezed through another league championship. With a relatively new team, the girls had only one returning Varsity tennis player, Grace Oyzon. But having the tradition and super coaching from Coach Bill Crane the Dons went to C.I.F. for the second consecutive year. They got tremendous help from two new Varsity players, and only Freshmen, Teri Spence and Beth Olivich who were ranked #1 and #2 on the team, led the way to a fine season.

CHS girl Dons season was not all that hot for leaving seniors Nancy Vanderpoll, Cynthia Williams, Terri Skinner, and Pam Banks. Led by Vanderpool, the girls' varsity ended with a (8-13) record. Faced by a tough league with C.I.F. 3A champs Gahr and rough games against La Mirada and Downey, the gals tried hard. Vanderpool and Williams were always leading the way and while doing so became all-leaguers in SGVL. Fighting hard at the end they came up short in winning the big league championship.

Being inexperienced, unskilled, untrained, led to serious faulties for CHS's J.V. team. Their spirit and determination was their way to achieve a high place in league, instead they ended with a record of - . Some of these outstanding girls will make outstanding varsity players in the years to come.

Cerritos Varsity Softball Team looked forward to a very productive season, but unfortunately, there was one problem, the league. The league proved to be one of the toughest in the area. Relatively a young team, 4 seniors, 9 juniors, and 1 sophomore, the Dons finished with a record of 3-13. Standouts were Senior Ruth Ballinger, batting average of 444, Senior Nancy Vanderpool with 16 RBI's and Edna Lora with 5 extra base hits.

Forwarding their minds, the Girls' Varsity Track Team didn't stop to look. Led by superb Chandra Roberts, the gals were the team to beat. They breezed through their season until "The day of the Knights" and "Gladiators revenge." Lynwood was a tough meet for the gals, who pulled some mild upsets and won. Riding high, the gals came up on rival Gahr. This was not a good day for the girls. Roberts has her hands full with the Gahr speedsters, But did have a perfect day, winning the 100, 220 yd. dashes, long jump and the high jump.

The rest of the team wasn't so perfect. As they lost their first meet in three years, (51-49). One bad apple didn't spoil the gals though, as they won their last two meets and won their third championship in a row.

Roberts was MVP and Girl Athelete of the Lakewood relays and a state finalist. Pam Banks and Lucy Saavedra made it to CIF prelims. Banks and Saavedra are the only two who will not return, so the girls team should be a good one.

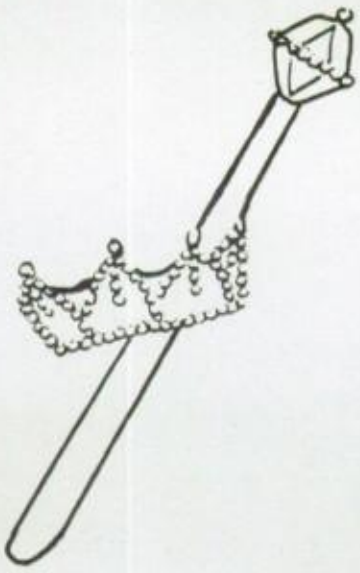
THE



COURT

The grand old tradition of Homecoming was upheld strongly in the 1978-79 school year. Homecoming was highlighted by Spirit Week, contests, assembly schedule, and the Homecoming Game. But the zenith of it all was, of course, the naming of our new Homecoming Queen.

The halftime of our Homecoming Game against arch-rival Gahr was a brilliant display of pageantry, crackling excitement, and dazzling fireworks. And when it was all over, we were presented with a new Homecoming Queen, the lovely Miss Jan Liles.

Jan's beautiful court consisted of Brenda Bonsor, Christie Perrotto, Cindy Slagle, and Regina Theadora.

SPIRIT WEEK

Spirit Week is perhaps the most popular week at Cerritos High each year. Characterized by the numerous contests, Homecoming Queen nominations and the Homecoming Game, Spirit Week is a fast-paced and action packed five days guaranteed to work even the most apathetic student into a spirited frenzy. The 1978-79 Spirit Week was no exception, and proved to be the most successful program put on in Cerritos High History.

As usual, Spirit Week began with Halloween. Students flocked to school in outrageous costumes, ready for tricks and hoping for treats. Poetic. From then on it was Root Beer chug-a-lugging and pepper eating all the way up to the Homecoming Game.

1.) Chuck Cecil forces down a myriad of angry bubbles as he competes in the infamous root-beer chug-a-lug. 2.) Robert Cruz ghoulishly hangs about the quad, anxious to sink his teeth into an innocent bystander. 3.) The big game! Surely a red letter day! Rowdy fans wonder where to go after they offend the photographer. 4.) Inconspicuous student nonchalantly shows his dazzling fangs. Recent dental floss shortages were devastating. 5.) Brenda Bonsor makes her entrance into the stadium during Homecoming festivities. Inept chauffeur overshot parking lot. 6.) Rodney Holbrook tests his childhood love for ice cream as he stuffs himself during the Earth Quake Eating Contest. 7.) John Sandoval and Martha Lemas are sen here discussing the Spirit Week activities. 8.) After drinking a quart of root beer, contestant ponders what to do with his stomach contents. 9.) Spirit Week was full of surprises. Of course, Cerritos broke a long jinx as we trounced arch rival Gahr at our Homecoming game. But perhaps the most surprising of all was the fact that the students of Cerritos still have some of that good old school spirit normally associated with Spirit Week.

1.) Margie Chavez arrived in a large box as part of her Halloween costume. Coke cup optional. 2.) Yet another root beer fan gulps down the liquid on the way to a carbonated finish. 3.) Hot tongued daredevil holds on to her hat during the pepper eating contest. 4.) Motley lineup prepares for the Hallow-een beauty contest. 5.) Liz Cooke slips back in to childhood during Spirit Week. What's a dog without a bone? A car without a garage? A cat without a pocket calculator? What's a football season without pep rallies? Nothing! That's right, zero, zilch, nada. Well, worry not. This year the students of CHS were treated to many spirit inducing programs, just the thing for getting both the fans and players pumped up for the game. We had the Pep Squad to thank for these action-packed assemblies, perhaps the only savior of Cerritos' dwindling spirit. Thank you.

1.) Two pepsters flutter about the gym floor in hopes of raising some spirit. 2.) Diane Souza makes a plea to the audience for someone to return her stolen sweater. 3.) Coach Wright shows off his new assets after a recent operation in Scandinavia. 4.) Human tower reaches new heights on the way to replacing a lightbulb. 5.) What are these ladies doing? DISCO CHRISTMAS

Christmas Vacation is a time for goodwill towards men, hectic last minute shopping, rain, and worn out cliches about goodwill towards men. Have we forgotten anything? Ah yes, the annual Cerritos High Christmas Dance! On December 19th a large crowd of brave young men and women gathered at the Golden Sails Inn located in lovely downtown Long Beach. A new twist was added this year, as Discotrek provided the music instead of a live band playing live music.

Since the dance was in fact held down by the Marina, places such as The Wind Rose, Bobby McGee's, The Velvet Turtle, and Bob's Big Boy proved to be favorites. Indeed, when else could you catch the famous Cerritos Student Body dressed to kill in tuxedos, long gowns, and corsages.

In the hotly contested competition for Snow King and Snow Queen, tenth graders Lee Souza and Jennifer van der Linden came out on top. Bravo!

Music for the prom was provided by August, an exceptionally versatile and highly professional band. The dance floor was packed all night as the band jammed through a wide range of songs, with a little something to keep everybody happy. Students danced, waited in line for pictures, took their pictures, sat about, and generally had a good time until midnight, when it was all over. Note: Several students were seen later that evening at John Sandoval's house. But that's a different story.

1.) Two jovial students sit on ringside and let their dogs rest after an exhausting dance session. 2.) Graduation 79

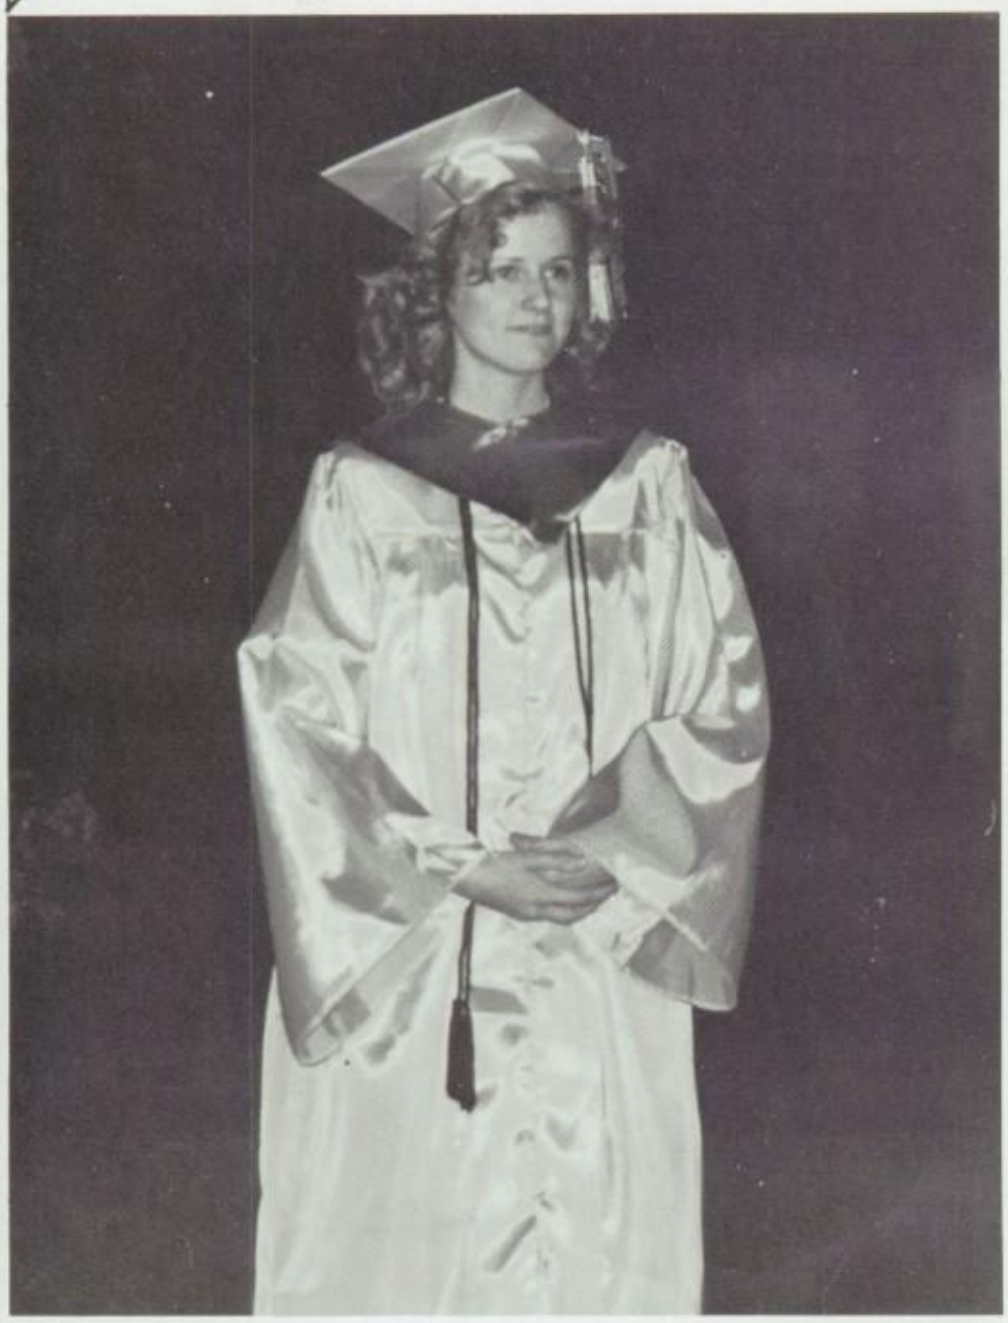
1



2

"Anybody can accomplish anything if they put their mind to it." These were the words presented to us by Alice Shin graduation night. This year, graduation was unlike any other Cerritos has ever had. This year, the students had the opportunity to plan it themselves. With Debbie Berlyn as Senior Class President, they did a beautiful job. It was a very dignified ceremony. Messages were given by Alice Shinn and Rob Unitan. The invocation was given by Kathy Mitobe and the benediction by Jan Pleiman. The flag salute was led by Brenda Bonsor. The roll seemed to go by quick without much thought given to it. But when the tassles were flipped and Principal Norma Elliott presented the class to Board Member Mrs. Diane Xitco, tears began to flood the field as everyone suddenly realized that high school was over and now was the beginning of their futures. Good luck to the class of 1979 and CONGRATULATIONS!!! Remember — "79 will always shine!"

Suddenly I find myself hesitant to release this season of my life. This season, caught up in the everyday aspects of life, yellow messages and blue slips, graffiti on the walls and Black and Gold Spirit has become so much a part of me. Now it is morning, at time for awakening to perceive the possibility of forever and hold it wondering within my mind. I glimpse the promise of tomorrow in the dawn of a sunbright day. In a moment of awareness I realize the security which is mine and visualize the dreams which may become. Not wanting to go, not wanting to stay, just wanting to be . . .

FROM MR. LEDBETTER

When most schools talked about their principals they talked about one person. But as usual Cerritos High decided to be different. This year we were fortunate to have had two principals. Our first principal, Mr. Ledbetter, who had been with us since the school opened, was promoted by the school board. Mrs. Norma Elliot became our temporary principal for the remainder of the year. We were sorry to see Mr. Ledbetter leave but happy that he was promoted.

It's possible you've heard that saying much last year that they were "Advisors and not Counselors," if you had been in the office or had listened to the bulletin. Besides the name changing we also had some nice additions, all three assistant principals became Advisors to give the others less students, and also so the others could have a better relationship with the students they did have.

78-79 ANNUAL STAFF

1.) The '78-'79 Sin Igual staff of Cerritos High School, our fearless leader, Mr. Monta Armstrong, Mike Magrann, Liz Silva, Kimm Gardener, Sarita Jha, Nancy Arseneault, Vickie Petty, Gregg Lacy, Julie Sloan, Janette Noceda, Don Pollard, Pete Elmore, Troy Pierce, Garrell Kirtley, Kristi Shade, Carina Deischter, Lisa Crisp, Greg Tamanaha, Patti Pigati, Laurie Tracy, and Kelly Eakin. 2.) One of the few that is actually working around here Kimm Gardener, Clubs and Organizations Editor. 8.) The Annual Photographers, Don Pollard, Pete Elmore, and last (wasn't there something about least?) Troy Pierce.

Annual Staff has been something different this year. Mr. Armstrong is no longer a rookie, and this year's staff has been subjected to all the criticisms of the past staffs, but as per usual, we aren't responsible for the problems of the past, and so we ask, "So What!" We're accustomed to that kind of treatment, we get it all the time! In fact, Abuse, is the best way to describe the situation around the classroom around deadline time. But the question is who is abusing who? Anyway, many words are heard (that can't be repeated) are heard as students tear up "Quad-Packs" and throw "Techni-Croppers" at both each other and our advisor. This, my friends, is how things really are in the infamous annual staff room. We now take this opportunity to say "Thank You" to Mr. Monta Armstrong, who has stood by us and helped us to better ourselves in so many ways it would take the whole book to explain. To you, Mr. "A," we would like to say, "THANK YOU" . . .

This year has been good, sad and an experience. We all were happy for graduation, prom, and grad night, but were saddened with death of students, and our Civics teacher Mr. Marvin Simpson, and the departure of our principal Mr. Charles Ledbetter. In life we go thru all kinds of emotions and I think this year all of us have experienced many of those emotions of life. As we grow older, there are times we are very confused and led astray, but then there are times when things could never be better by the time another school year ends we all will have learned new experiences and different kinds of feelings and then soon we will realize that all this hard work and labor has really paid off in the end.

Death was a harbor and a transient goal Wherefrom

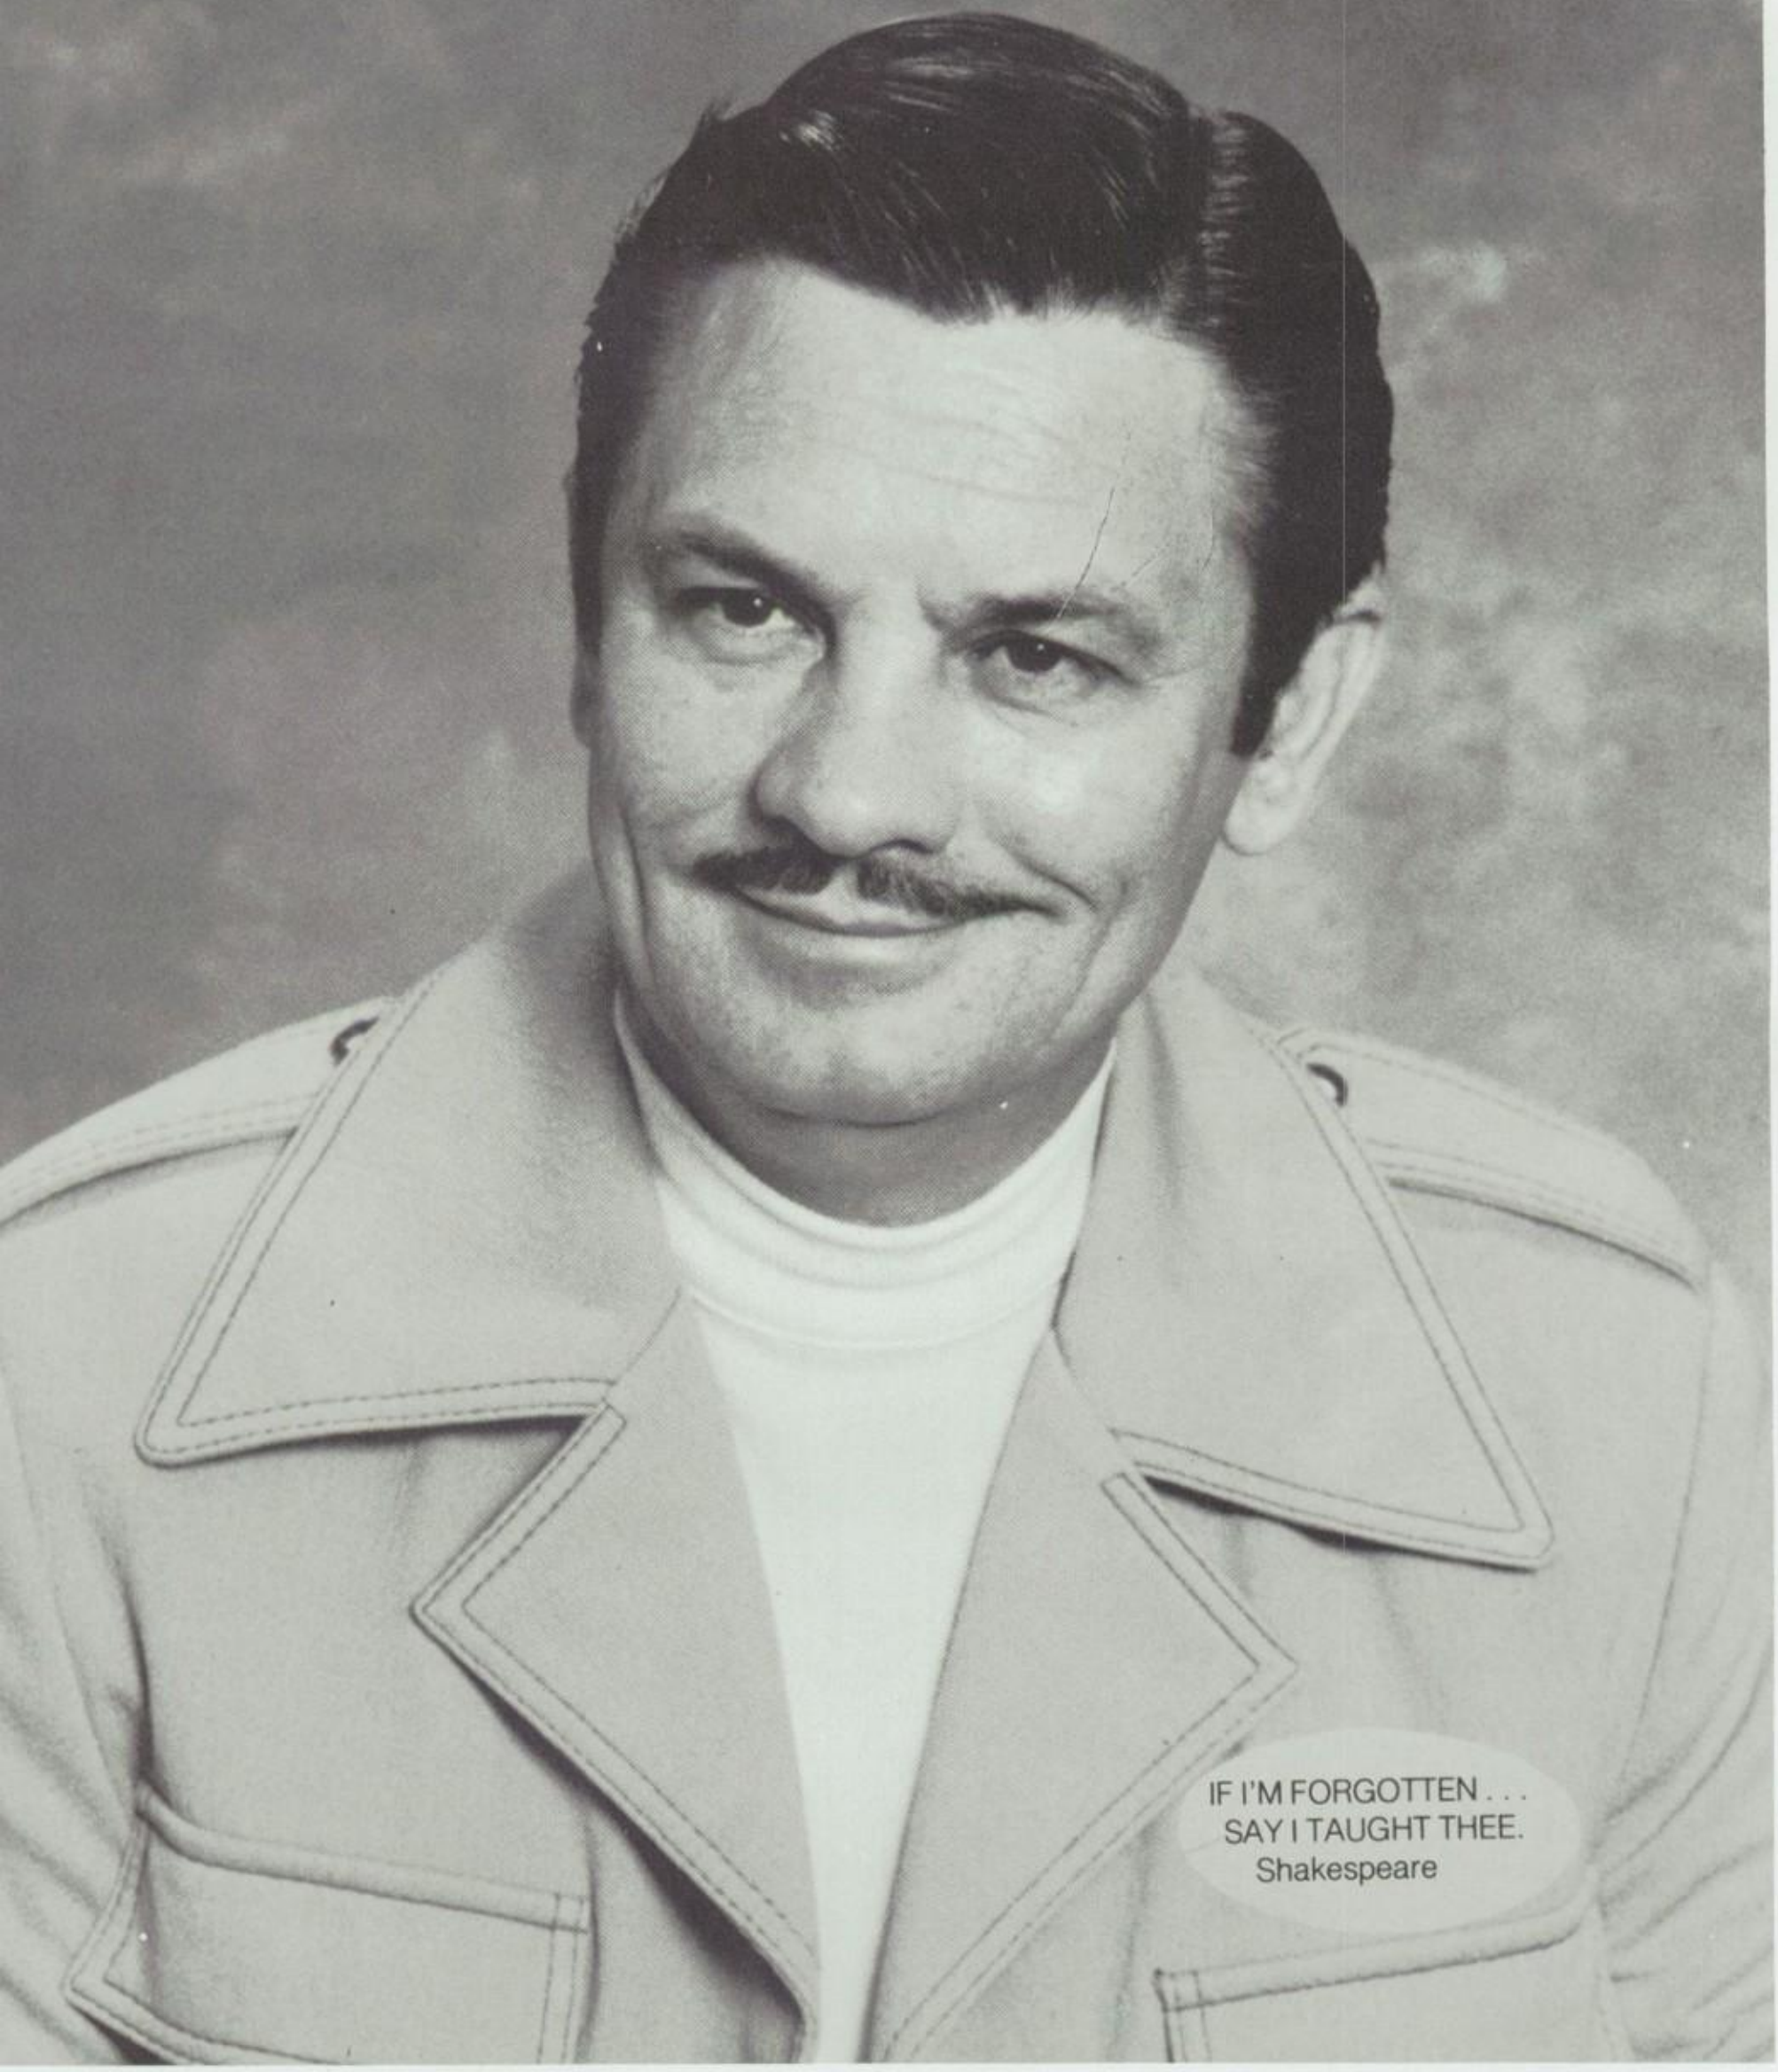
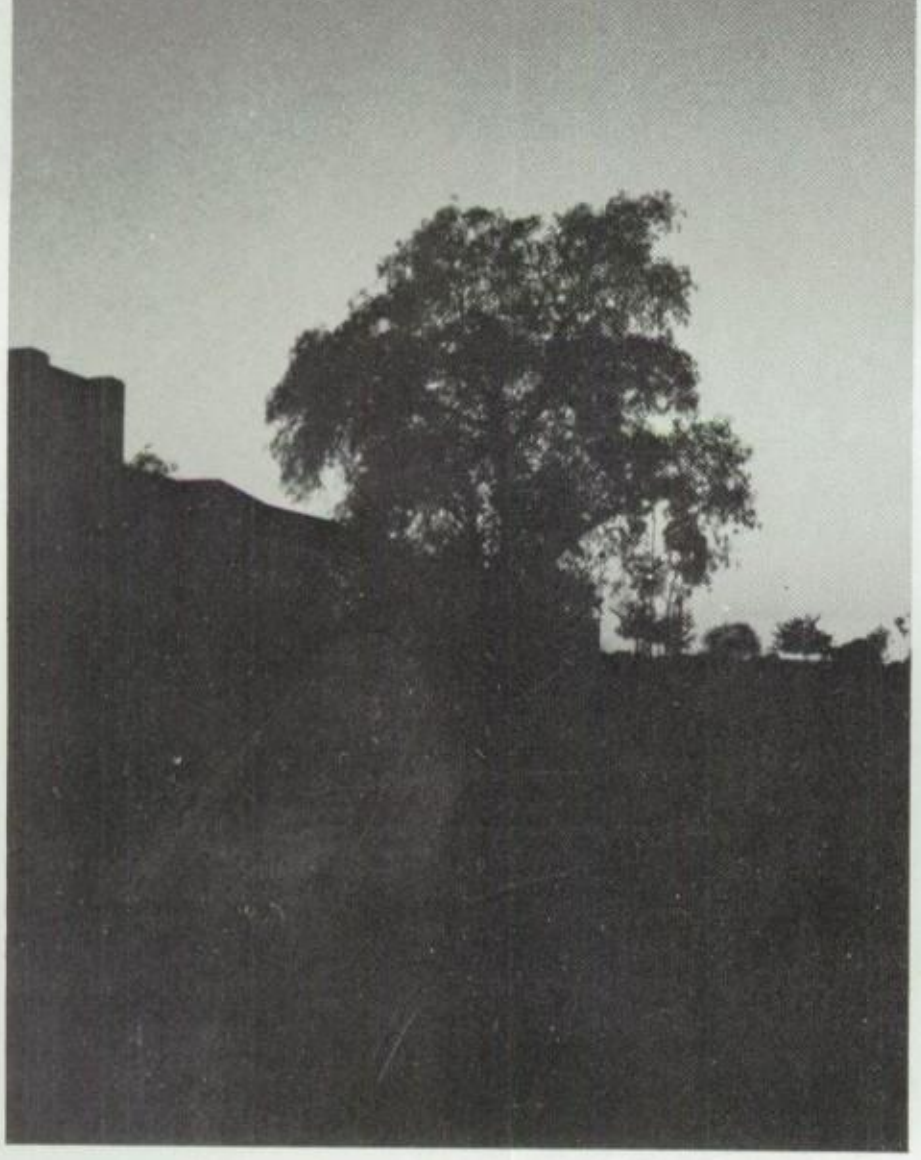
In Memory of Mr. Marvin Simpson





On a last note, I'd like to thank my 78-79 annual staff for all the hard hours of work and time they-'ve put in this book so we could meet our first deadline on time, which was a first for us.

I would also like to thank Mrs. Elliot for her helping ear, and I would like to thank our advisor Mr. Armstrong for having patience and understanding, because I sure didn't have any. Also our representative from Taylor Publishing Mr. Bill Milne for the time he has put in and the Tuesday afternoons he came in to check our progress.

Last but not least I have to thank Mr. Dennis McReynolds, because if this book is not in the safe by Labor Day weekend he is going to hang me by my ears, but really he's been a helping hand and I couldn't have made it without all of his jokes.

Your US Army Recruiter's Offer: A Skill

A skill is the art of knowing what you're doing, whether it's riding a motorcycle or fixing a tank.

The Army can teach you to know what you're doing—really know—in any of over 200 skill specialties. Everything from Accounting Specialist to Wheel Vehicle Mechanic.

We teach you in two ways. With first-rate instruction and a lot of practical experience. There's plenty of work to be done in the Army and always something new to learn. You'll have to handle it—but there'll always be someone there to back you up and answer your questions.

After three packed years of solving all kinds of problems, you could gain something rare, and yours to keep. A skill.
